

East King County Metro service improvements

Several potential Eastside major route improvements have been identified and examples are shown below. Proposed changes will also be subject to public involvement and input. Metro is currently conducting an outreach process in East King County, and the proposed improvements shown here are consistent with those being discussed by community stakeholders.

Using new revenue and redeployment of hours from some existing peak-only routes, develop a network of all-day routes with 15-minute service connecting most business and residential centers within the central Eastside area.

New direct connections will also be provided to major job centers on the Eastside.

Core routes connecting Eastside destinations will be improved, including Kenmore, Kirkland, Issaquah, Crossroads, Overlake, Kirkland, Redmond, Bellevue, Bellevue Community College, Eastgate and Factoria.
